

Get Crafty with MJC Sisterhood!

You've seen these beautiful bags at boutiques and online and now you can learn to make them yourself!

Join Sisterhood for a fun and creative craft project and help the environment too! Learn how to make handbags and other accessories like those pictured above out of recycled materials. It will be tough to decide if you'll be giving your finished design as a gift or using your stylish creation for yourself.

To get started: save empty capri sun bags, potato chip/prezel bags, dog/cat food bags, foil lined bags and plastic coated bags (lots of them are needed). You'll be surprised by your finished product.

Classes are tentatively scheduled at MJC for:

Wednesday, October 10 at 7 PM

Wednesday, November 7 at 7 PM

Thursday, December 6 at 7 PM

Classes will cover pattern making, basic design, sewing and assembly. Participants may need to purchase zippers and hardware based on their own finished product.

Please send in your **check for \$10 made out to Montebello JC Sisterhood** by **October 1** if you plan on joining us for this great project!
