Leading Young Lives.

## Z'havah

Z'havah is a place where all women are  
welcome to participate in meaningful  
activities that enrich our Judaic lives.

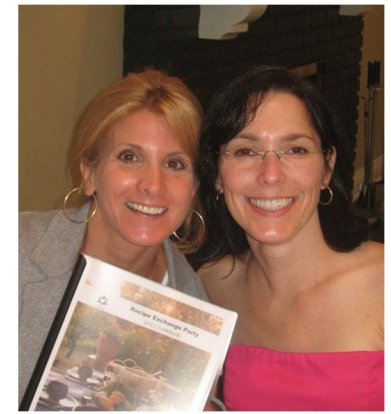

A place where they can gather and learn, trust and grow.

A place where they feel understood as wives, mothers, daughters and friends.

A place for every young woman to belong and feel personally connected to Valley Beth Shalom.

A place to nurture their spirit and feel connected to the community in which we are so blessed to live.

Z'havah is a group meant to uplift and encourage women to embrace Judaism and the friendships it may bring.

## Sisterhood Information

The mission of Valley Beth Shalom Sisterhood, as an affiliate of Women's League, is to support the synagogue programs, schools and the community; enhance the lives of women and families through learning opportunities, spiritual experiences, personal growth, and tikkun olam.
