

FOR REGION NEWSLETTERS FROM BOLI REGION

Is your sisterhood:

- ✓ Focusing programming on the interests of young women to attract new members?
- ✓ Involving some of your younger members on committees?
- ✓ Bringing some of your already involved younger members onto the board?

Engage young women in *your* sisterhood! Go for the GOLD!

And be sure to encourage your young members to attend region conferences to network and learn!

Z'havah, the Women's League initiative named after the Hebrew *Gold*, gives younger members a point of focus and connection with sisterhood and Women's League.

Z'havah resources, designed to attract younger women, are available on the Women's League website, <http://wlcj.org>.
