Welcome to the IntraContinental Region

The IntraContinental Region, one of the largest in Women's League, stretches from Saskatoon (SK) in the north to Mexico City in the south, to Wichita in the west and to St. Louis in the east. Covering two Canadian provinces and seven states, members are connected by our traditions and support for Conservative Judaism. The monies we raise through our Torah Fund activities are directed to the education of rabbis, cantors, teachers and the lay leadership. Our links to Israel and the Masorti movement guarantee that our future will be strengthened for ourselves, our children and grandchildren.

Through the advent of improved technology, we stay connected via conference calls, Skype, weekly Shabbat bulletins, emails and a continually updated web page. In addition, the regional board is composed of committed individuals who see their main purpose as being connected to the local Sisterhods to provide assistance whenever asked and other services as needed. Getting together at board meetings, a Spring Conference and at national conventions provide yet another means of developing long-term relationships which turn into true friendships.

Women's League for Conservative Judaism

Torah Fund

Every woman has the opportunity to participate in preserving, promoting and perpetuating Conservative/Masorti Judaism through active giving to the Torah Fund Campaign of Women's League in support of The Jewish Theological Seminary (New York, NY), Ziegler School of Rabbinic Studies (Los Angeles, CA) and the Schechter Institute of Jewish Studies (Jerusalem).

The Torah Fund campaign began in 1942 as a scholarship fund. In 1963, it merged with the Mathilde Schechter Residence Hall campaign that provided housing for undergraduate students. In time, the campaign identified needs and raised funds for specific projects, including:

- Women's League Educational Pavilion (Kripke Tower)
- Women's League Seminary Synagogue
- Mathilde Schechter Residence Hall Renovations
- Goldsmith Hall
- Residence Hall at the American Jewish University
- JTS Quadrangle
