Ida Gold  
Brooklyn Branch

For these chapel caps, Ida Gold suggests using a thin yarn, such as bedspread thread, sport yarn, or any thin thread, any colors, or gold or silver and a size F crochet needle.

## RIPPLE CHAPEL CAP

- ROW 1 Chain 120 stitches.
- ROW 2 8 sc (single crochet), 3 sc next chain (point), 8 sc, slip into next 3 chains, pull the 3 loops off with a sc (decrease), continue 5 more times, chain 1 turn.
- ROW 3 sc, skip next stitch, 7 sc, 3 sc in point (8 single), decrease as previous row, continue on 5 other points, chain 1 turn.
- ROW 4 Same as Row 3.
- ROW 5 Increase 1 st on either side of the point (9) (first stitch, last stitch), continue on the 5 points, chain 1 turn, keep the single crochet. Skip as previous rows.
- ROW 6 Same as Row 5.
- Row 7 Increase 1 st (10) and continue same as Row 5. End thread.

Sew on the first row the 8 sc (increase to decrease). Continue on the other 5 points. Join all 6 points together. Sew the back seam.

Sew the centers of each point together. There should be 6 points (see below).
