

## Mahjongg Tile Necklace

Designed by Wanda Pitzele  
For WLCJ Convention 2017

### Materials:

Mahjongg Tile, Drilled  
24" 2mm Leather Cord  
2 Glue in Cord Ends  
2 6mm Jump Rings  
Clasp  
Variety of beads with large holes  
Jewelry Glue

### Tools:

2 pairs Chain Nose Pliers  
Scissors

Choose a pattern of beads, mixing metal and glass.  
String with the Mahjongg Tile in the middle.  
Glue the end caps onto each end.  
With Pliers, open Jump Rings and attach clasp.

An alternative closure is to simply tie an overhand knot at the ends of the cord. Be sure to allow enough length to pull over the head.
