

## HONEYCOMB WAX CANDLES

CH #56

Honeycomb wax candles need no heat to make. Honeycomb wax comes in pliable sheets, 7½" x 16" in assorted colors and is available in any craft shop.

**MATERIALS:** Honeycomb wax  
Cotton wicking

### DIRECTIONS: STYLE #1

1. Cut wax on bias.

2. Cut wick ½" to ¾" longer than the straight edge of the wax. Place the wick on the long straight edge and secure in place.

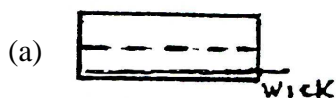

Roll wax snugly over wick and continue to roll evenly.

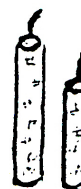

### DIRECTIONS: STYLE #2

1. Cut wax sheet in half (either the long dimension (a) or the short (b) dimension).
2. Cut wick ½" to ¾" longer than the length of the candle. Place the wick along the edge and secure in place.

Roll wax snugly over wick and continue to roll evenly.

For a Havdalah candle, use 3 wicks of either the same color or assorted colors and braid into a long candle.

This is an excellent item for your Gift Shop crafted by seniors or teenagers.
