### **BABY KIPPAH FOR BRIT MILAH OR PIDYON HABEN**

Follow same pattern, but use smaller crochet hook and fine crochet cotton (mercerized). To keep kippah small, you may eliminate third round of D.C. (Round 11). On last round of kippah S.C., crochet half way around, join the second color and with both colors attached Chain a piece long enough to tie under baby's chin. Tie off with a double knot. Fold kippah in half and attach 2 strands opposite first tie. Chain a second piece to match first one, tie off with a double knot. Weave in all loose ends.
