

MOSAIC GLASS *SHALOM*

CH #26

MATERIALS NEEDED: Glass, glass cutter, paste, grout, waxed paper, plywood or metal.

DIRECTIONS: Make picture or design. Trace on waxed paper; transfer to plywood or metal. Cut glass to desired sizes and shapes. Paste glass onto transfer pattern. Grout around the edges of the glass.

NOTE: Each process takes time. Each process must be allowed to dry completely before beginning the next step.
