

Women's League Shabbat 5779

All over North America each year, our sisterhoods host their annual Women's League/Sisterhood Shabbat.

At Shabbat services and often at events throughout the weekend, congregations gather to celebrate the contributions of their sisterhoods.

Our enthusiastic and loyal volunteers are truly the heart and soul of our synagogues. Kol Ishah means a women's voice. It is not the prohibition of praying or studying in the presence of women, but celebrating the woman's voice. On this Shabbat, we acknowledge, honor and thank the women of your sisterhood as they ascend to the Bimah. Their collective voices remind us of the power of women when united for a common goal.

Yasher Koach to all those participating and to all the dedicated women of sisterhood. Your sustained commitment will indeed insure the values of our faith for the future.

Shabbat Shalom

Margie Miller
