## *Silent Spring*

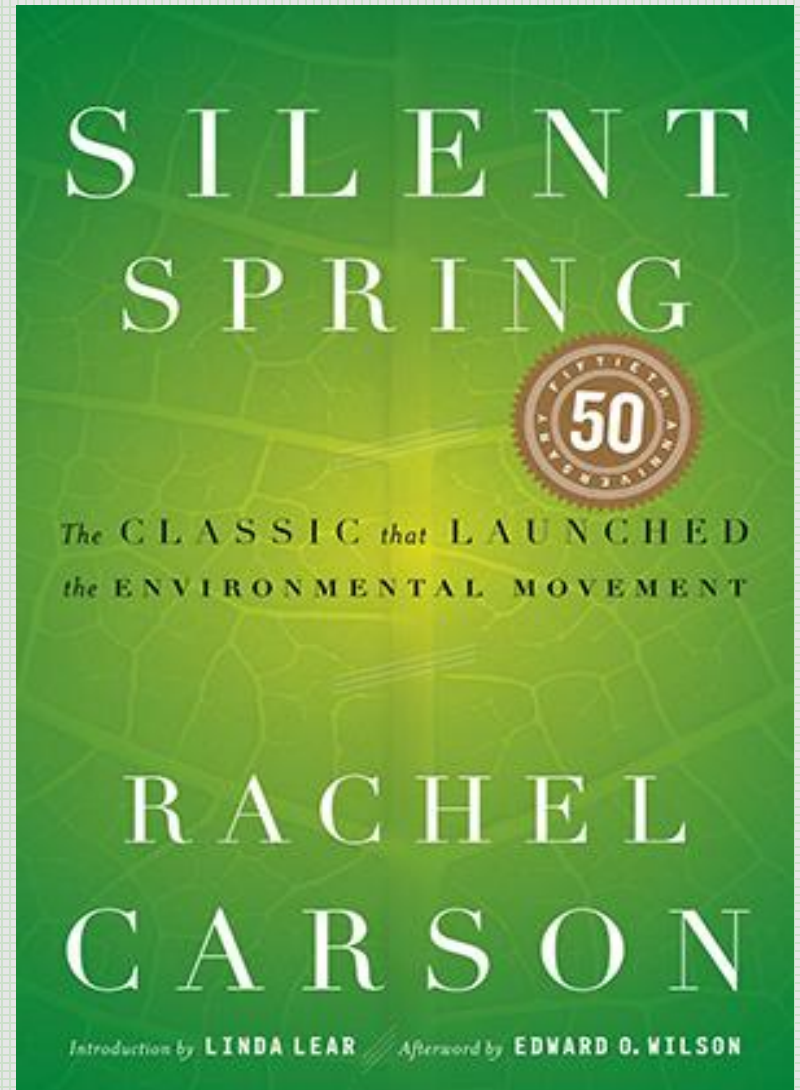

Rachel Carson

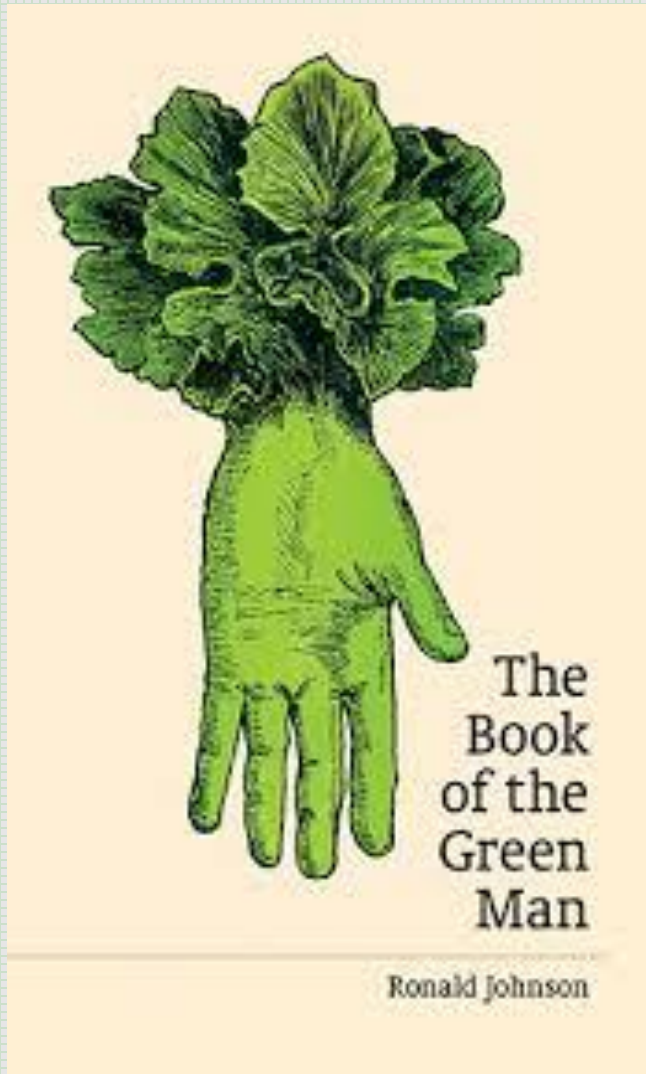

First published in the New Yorker in three parts, in 1962, two years before she died.

“ In nature nothing exists alone.”

“Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts. There is something infinitely healing in the repeated refrain of nature – the assurance that dawn comes after night, and spring after winter.”

## *The Book of the Green Man*

Ronald Johnson

© 1967

American poet and cookbook author Johnson composed these poems as he walked through the English countryside in 1962-1963, while reading British authors.

In 2015, a second edition of this book was published by Colin Sackett, UK, ISBN 978 1 910010 04 4.

# DIGITAL MEDIA

Two programs from PBS (available as DVDs):

## *Craft in America: Nature* © 2017

An ongoing series to explore how creative expression reflects our diverse human experiences. One specific episode included interviews of four artists, in their studios, who use natural materials to create art. NATURE: <https://www.pbs.org/craft-in-america/tv-series/nature/>

## *Frederick Law Olmsted: Designing America* © 2014

Tracing Olmsted's life and career as a landscape architect, not just in New York City, but in Buffalo, NY and the area surrounding Niagara Falls.
