FOUNDER

Mathilde Schechter ז"ל

Shalom Friends,

We join together, B'Yachad, on this Shabbat to honor and thank our Sisterhood members and our leaders. What an opportunity we have to share our heritage as Jewish women and pray together. It has been a unique and challenging year for many of our Sisterhoods but this Shabbat we have an opportunity to celebrate ourselves and be together in a new way. Since 1918 when Mathilde Schechter founded Women's League for Conservative Judaism we have always found a way to survive unwelcome world events. We will continue to do so by offering quality programming and opportunities for learning in our sisterhoods, in our Regions and on the International level. As members of Sisterhood, take advantage of all the programming at every level.

Mazal Tov on this special day and all you have accomplished. I pray we are together in person in our sanctuaries next year on Women's League Shabbat. Until then, let us continue to join together, B'Yachad, to fulfill our mission of engaging, enriching and empowering Conservative Jewish women.

Sisterly yours,
Debbi
