

## Our B'Yachad Campaign Continues

*B'Yachad, together we are making a meaningful difference at the five global Conservative/Masorti institutes of higher education.*

Every year, the costs of higher education increase. Your generosity helps provide needed scholarships and programs that ensure training of the next generation for leadership roles in the Jewish community.

When you give to Torah Fund, you help empower students in New York, Los Angeles, Israel, Latin America and Europe, and you help fortify the future of Conservative Judaism and the Jewish people.

When you give to Torah Fund, you acknowledge the outstanding ways our rabbis, cantors, chaplains, educators, social workers, Jewish professionals and camp staff provide essential care, services and guidance to our communities and strengthen the core of Conservative Judaism.

When you give to Torah Fund, you're aligned with those who value knowledge, learning and the importance of equipping our future generation with relevant leadership skills.

When you give to Torah Fund, you support and perpetuate the Jewish people.

Although we are not producing a new pin this year, our mission continues, and B'Yachad - Together—we can make an impact. Please renew your commitment and give today!

*"It's about the Jewry, not the Jewelry!"*

“

*As someone who attended college on scholarship, it's important to me to give others that chance. By giving to Torah Fund I can support the students through scholarships and programs, as well as help ensure the future of Conservative Judaism.”*

—Renee Ravich

“

*I give to Torah Fund knowing that I've played some part in the future of Conservative Judaism. It gives me comfort to know that the five seminaries around the world will continue to thrive, and produce future leaders for centuries to come.”*

—Donna Burkat
