

EISHET HAYIL QUILT

November, 2006

This *Eishet Hayil* quilt was a labor of love created by the women of Women's League for Conservative Judaism. Each Branch was assigned one sentence from the *Eishet Hayil* poem (*Proverbs 31*) and asked to interpret it artistically. A variety of styles were used including painting, beadwork, embroidery and appliqué. The individuals in the Branch who created the squares took their time and talent to create something beautiful that will be enjoyed for many years to come. The quilt is to be raffled at the Biennial Convention in Philadelphia, Pa. November 15, 2006 with the proceeds to benefit Operation Mazel Tov in Israel.
