שיחות בין אחיות, *Sichot beyn Achayot* means “conversations between sisters”. This program is designed to foster a deeper mutual understanding between the members of WLCJ in North America, the Masorti women from Israel and Masorti Olami, our communities around the world. It is designed to address the question, “How are we the same, and how are we different?”

Register

The remaining **session** will address this question by concentrating on one specific issue that is both relevant and timely to us all, and will include presentations from speakers from each side of the Atlantic. The workshops will each be followed by a Q&A session in which all attendees will be encouraged to participate.
