

Shalom Friends,

Chazak v'Ematz-Be Strong and Courageous. Each year since 1918, when Mathilde Schechter founded Women's League for Conservative Judaism, we have been strong and courageous in new and defining ways. We have lived through world events that include tragedies, recessions and pandemics, and yet, we have remained vital to our synagogue communities.

On this Shabbat, we share our heritage as Jewish women and pray together and take the lead in our service. We will continue to share by offering quality programming and opportunities for learning in our sisterhoods, in our Regions and on the International level. As members of Sisterhood, please take advantage of all the programming at every level.

Mazal Tov to all of you on this special day and all you have accomplished. Let us continue to join together, B'Yachad, with strength and courage, Chazak v'Ematz to fulfill our mission of engaging, enriching and empowering Conservative Jewish women.

Shabbat Shalom,

Debbi Kaner Goldich

International President

Women's League for Conservative Judaism
