

On this Women's League Shabbat of 5785, we celebrate the vital role of Sisterhood in shaping and sustaining our Jewish communities. Your Sisterhood Affiliate is far more than a group—it is a sanctuary where connections are strengthened, faith is nurtured, and collective strength is celebrated. Through today's prayers, readings, and melodies, your leadership shines as a reflection of deep commitment and spiritual vitality, strengthening our *kehila*—our community.

This year's Torah Fund theme, *Am Yisrael Chai*—"The People of Israel Live"—resonates profoundly with our mission. It serves as a reminder that the enduring spirit of the Jewish people is alive within each of us. Sisterhood is an essential thread in this vibrant tapestry, fostering learning, nurturing community, and empowering women to lead with purpose. You embody the resilience and vitality of *Am Yisrael Chai* through your dedication.

Thank you for your unwavering passion, faith, and commitment. On this Women's League Shabbat, led by the remarkable women of your congregation, I encourage each of you to continue embracing the empowerment that flourishes through leadership and connection. United in purpose and inspired by Torah, we ensure that *Am Yisrael Chai* is not just a proclamation, but a reality lived every day.

May the light you bring to this Shabbat illuminate our communities and inspire others to join in our sacred work.

Shabbat Shalom and Todah Rabbah,

Julia Loeb

President, Women's League for Conservative Judaism
