

## **Women's League Shabbat Greetings 5786 from International President Julia Loeb**

On this Women's League Shabbat of 5786, you come together to honor and celebrate the women whose dedication brings light and life to your Jewish communities. Your Sisterhood Affiliate is a place of warmth and inspiration, where connections are deepened, faith is nurtured, and the promise of community is made real.

This year's Torah Fund theme, *Oseh Shalom*—"Maker of Peace"—calls us to reflect on a timeless truth from our texts: "Seek peace and pursue it." (Psalm 34:15) Peace is more than a hope, it is an active pursuit, built through listening, understanding, and acting with intention. Each program you lead, each hand you extend, and each moment of guidance you offer becomes part of the sacred work of creating harmony and wholeness.

You can see the embodiment of *Oseh Shalom* throughout your Sisterhood Affiliate. You bring people together across generations, nurture learning, and inspire leadership rooted in values of compassion and justice. You remind us that peace is not passive, it is lived through community, through dialogue, through caring deeds, and through the courage to act.

On this Shabbat, as you join in prayer, song, and reflection, take a moment to celebrate the transformative power of women to make peace tangible. May your efforts illuminate the path for others, and may the ideals of *Oseh Shalom* guide your leadership, enrich your communities, and inspire all whose lives you touch.
