

Women's League for Conservative Judaism

NASHIM BIK'DUSHAH

Application

Dear Rabbi and/or Cantor:

The following member of your synagogue's sisterhood has applied to become a member of *Nashim BiK'dushah*, Women's League for Conservative Judaism's elite cadre of women who can lead services using the appropriate *nusah*, read Torah and *haftarah*, and lead the abbreviated *Birkat HaMazon*.

This category is for women who use these skills **regularly**, in either synagogue services and/or at Women's League events, and can be called upon to lead services with no advanced notice. If applying as a *baalat kri'ah*, she should be able to read Torah with facility, with adequate time to prepare (which precludes those who learn by a tape for a one-time occasion.)

To be sure that all candidates are satisfactorily able to fulfill the requirements, we are asking that you please fill out this application form. Return it to your Sisterhood Affiliate President who will forward it to the Women's League office. Thank you for your time and careful consideration.
